FOR YESTERDAY IS BUT A DREAM,

BUT TODAY WELL LIVED MAKES EVERY
YESTERDAY A DREAM OF HAPPINESS,

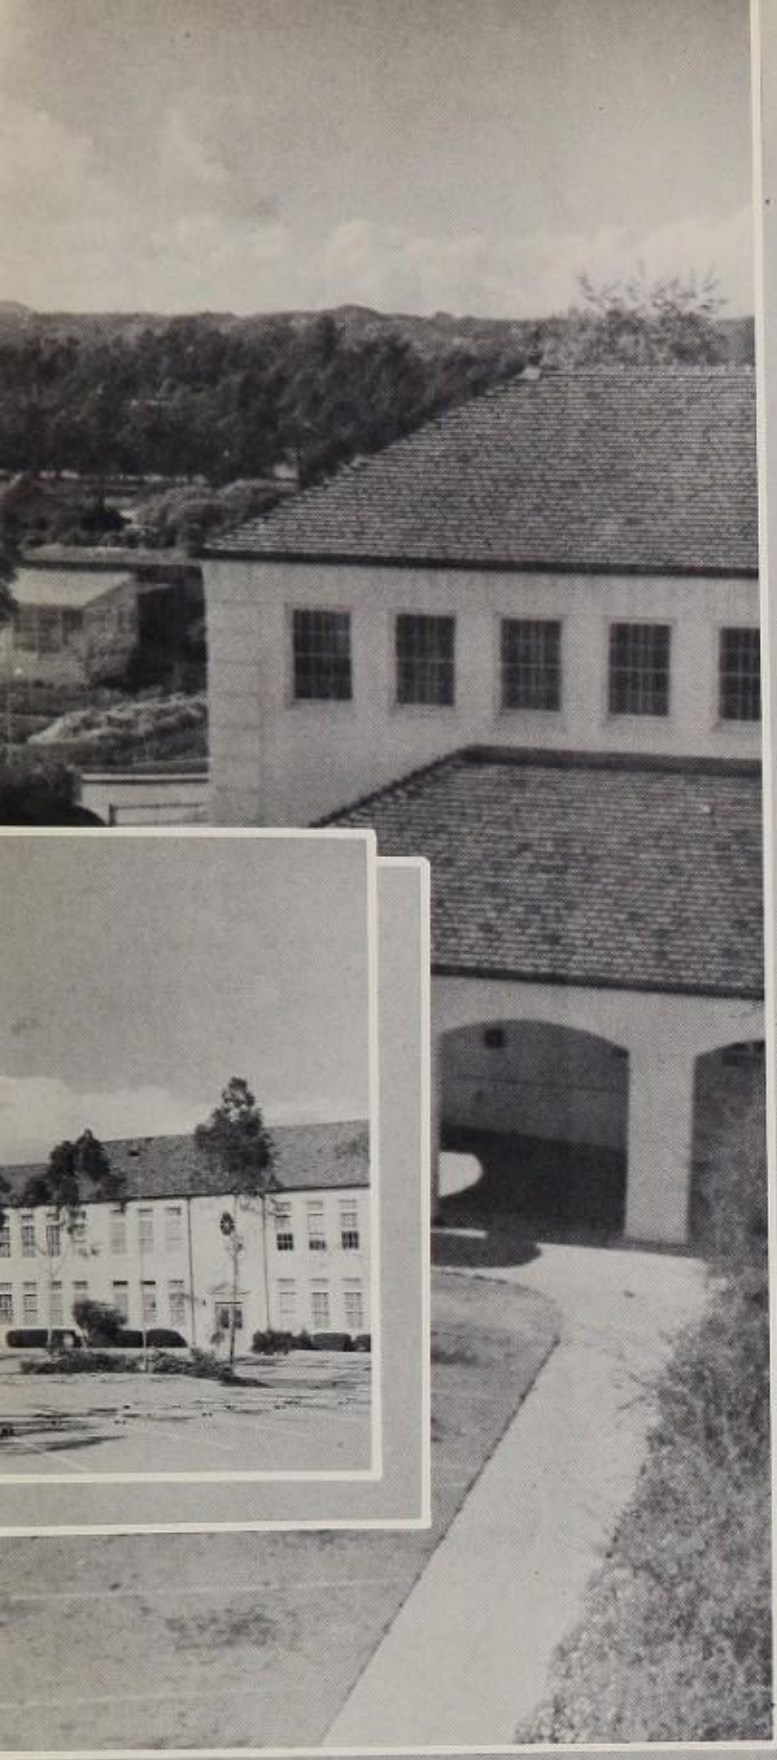
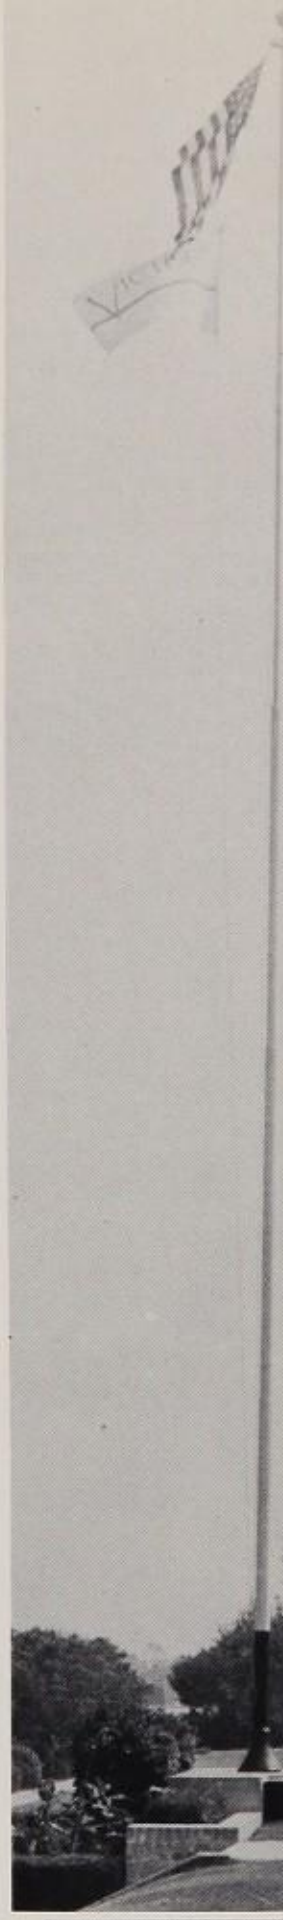
BEVERLY HILLS HIGH SCHOOL,





TOWER

BEVERLY HILLS, CALIFORNIA

This day is the one in which our existence perpetuates itself. The nowness of our being does not reveal itself until it becomes a memory, an item whose realness is only as tangible as the individual chooses to make it. The person who lives each day as if it were his whole life has found the basic meaning behind every drive known to mankind.

Rome was not built in a day, goes the proverb, but neither was it built by dreamers or archaists. It was built by day to day work; a dream perhaps, but not tangible until the workers and realists completed the actual construction, while the dreamers gazed at the stars and thought of new and impossible tangibles.

Today, we, the future, may not be allowed to forget or ignore the dreamers, but neither may we be allowed to forget the basic teaching of mankind. The hereness and nowness cannot be passed over, in hopes that the future will bring an easier present. The present of today will shape the present of the future. Today well lived makes every yesterday a dream of happiness and every tomorrow a vision of hope.

The growth of education at Beverly Hills High School is not confined to the classroom, but is also reflected in our architecture. The Norman-French influence still lends its beauty to the campus, but the contemporary lines of the new Business Education Building suggest an awareness in preparing for the future.

ADMINISTRATION

Mr. Horace L. Blackman, Mrs. Byron A. Thalheimer, Mr. Champ M. Reese, Mrs. George Seaton, Mr. Ernest Ach.

BOARD OF EDUCATION

Mr. Walter O. Willey, Assistant Superintendent; Mr. R. G. Mitchell, Superintendent; Mr. Kenneth L. Peters, Assistant Superintendent, Curriculum.

The Beverly Hills School System is essentially a story of people interested in public education. Our school system, as in the past, will be determined by people who make responsible decisions; people with wisdom, sound judgment, and vision.

This nation has grown strong and great in the same climate that has made mass public education flourish. It means the kind of intellectual preparation that the nation is willing to give its heirs to equip them for lives of usefulness and strong responsibilities as American citizens.

The Beverly Hills Board of Education, administrators, and fine faculties have built, over the years, an outstanding school system — a system of education that is second to none in the nation.

Courses of study and curriculum are kept under constant surveillance to meet the ever changing needs of our students—intellectually and physically. Our students, as a result, will become superior individuals to our community and our country.

Champ M. Reese

PRINCIPAL

With the close of a school year most of us find ourselves mentally taking stock of the months just past and thoughtfully projecting our hopes and plans for the future.

I think it is safe to say that our educational accomplishments have been substantial. Further, there is every evidence that our physical, social, and moral development has been consistent with our objectives.

The true measure of how well we have cooperatively met our responsibilities in the past, however, can best be indicated by our accomplishments in the future. The opportunities have never been greater or have the problems been more defined than those facing the generation now moving through our secondary schools. The conquest of space and the uncovering of the mysteries of science place an urgency of regard for and understanding of man's responsibility to man on a pedestal of wisdom far above those issues faced by previous generations.

That the members of the Class of '58 have the tools, the qualities, and the character to assist in resolving these issues cannot be questioned. Your challenge is to put these tools and qualities to work for productive, worthwhile, positive solutions. In this regard, we have every confidence that you will represent yourself and Beverly well. Best of luck!

Kenneth L. Peters

Mr. Harry M. Alter, Assistant Principal

Our world is complex; we are dependent on each other. Our best contributions are made when we engage in the job or profession best adapted to our greatest skills. In addition, we have the responsibility of being good citizens.

The guidance department aids students in choosing the educational program that will direct them into activities for which they are suited.

Harry M. Alter

GUIDANCE

Mr. James E. Knauer

Mr. Edwin W. Elliott

Helping Beverly students is just one of the jobs of our four counselors. They find the time in their busy days to help us arrange our programs, consult with our parents, and aid us in making the all important choice of plans after graduation.

Mr. James E. Knauer counsels the freshmen; Miss Helen Louise Aldrich, sophomores; Miss Edith Knoles, juniors; and Mr. Edwin W. Elliott, the seniors. Mr. Harry M. Alter, assistant principal, directs the guidance program in addition to serving as principal of the Summer Session.

Miss Helen Louise Aldrich

Miss Edith Knoles

Respect, admiration, and appreciation — we cannot help but have these feelings when thinking of Mrs. Romaine H. Pauley, girls' advisor; Dr. John H. French, boys' advisor; and Mr. Steve T. Miletich, administrative assistant.

Mrs. Pauley gave much time and energy to Beverly's activities. In addition to her full schedule, she found time to sponsor the Girls' League and Club Relation Board.

Dr. French was constantly working to uphold the high standards for which Beverly is noted through his work as sponsor of the Boys' League, Squires, and Student Court.

Mr. Miletich held the newly created post of administrative assistant. He did an outstanding job in addition to his strenuous position as coach of the basketball and golf teams.

These people have given freely of their time to help us in every possible way. For this we offer sincere thanks.

The Watchtower gives special recognition to those of our faculty who render services of particular benefit to Beverly students. The personal help and guidance of Mrs. Anna Mitchell, home co-ordinator, is one of greatest benefit. Normans and faculty alike receive expert assistance in the correct and efficient use of our fine library through the instruction of Mrs. Williamson. Miss Madeline Sevenans is kept busy helping our students with their diction and speech problems. This is a great help to Beverly students from foreign countries. An important member of Beverly's musical department, Mrs. Rene Hubbard, accompanies the choir, voice class, and glee clubs. Dr. Schwartz is our enthusiastic audio-visual director. He is in charge of all audio-visual aids. New to Beverly's staff is Mr. J. E. Sparks who helps to improve students' skills in reading, spelling, and vocabulary. Miss Smith, our friendly and dependable school nurse, has innumerable activities and duties to keep her busy. Beverly students and faculty members owe much to her untiring effort. Dr. Laurion is Beverly's attending physician at all sports events. He takes physical examinations of boys who are interested in competitive sports. His major interest is in health education. Dr. Flynn, Beverly's woman doctor, checks Beverly's girls for competitive sports and G.A.A. participation. Dr. Flynn is interested in a more thorough health education for all.

ASSOCIATED STUDENT BODY

FALL PRESIDENT

The keynote of this administration was informality. Two assemblies were among the top events of the semester: Reverend Bob Richards gave us an inspirational oration, and the Community Chest featured a quiz panel to raise money for its worthy cause. A new activity was started for the student body — after game dances. These took place during the basketball season and were originated through the efforts of this administration. Plans for a nutrition period were continued. This was a truly enjoyable semester both for the student body and for the administration of Winter 1957.

Gary Salenger

VICE-PRESIDENT

I feel we were able to reach our goal of having the highest percentage of registered voters and more candidates running for office than ever before in the past. This was possible through the enthusiastic support of the entire student body. I would like to express my appreciation to everyone who helped to make this semester such a memorable one.

Brenda Tuch, Girls' League President

The purpose of the Girls' League is to foster friendship and spirit among the girls at Beverly. The semester's program aimed at this goal. Initial activities were the Orientation Program and Big and Little Sister Party, where new girls were welcomed and made familiar with Beverly. Our next event was Hello Day featuring a mixer dance and the friendliest couples. Other successful projects were the Girls' League Assembly, Witches' Weinie Bake, and after school candy sales. Getting into the Christmas spirit, the League held its annual fund drive in order to give the children of Albion Street School a Christmas party. The semester came to a close with the Girls' League Installation Assembly.

The fall semester's Boys' League activities were quite successful. Mel Fisher showed us a film on the operation of skin diving equipment which was both interesting and educational. Our big project was Chatsworth. We took a talent show, under the direction of Hal Stalmaster, and 90 jackets to the boys there. The jacket drive was headed by Jim Chier and Bob Kay to whom I give my thanks. I also want to thank the entire cabinet who helped to make the first semester so successful.

Bob Brachman, Student Court Chief Justice

The student body of Beverly Hills High School, in order to form a more effective student government, did, in 1946, ordain and establish the student court of Beverly Hills High School. The reason for establishing this court was to give the students more voice in the running of their government.

It was the hope of the administration that student court would provide a more effective means of trying cases dealing with student problems. They felt it would be easier for a group of students to understand the students' problems and to decide the penalties for the offenders.

I, along with the other members of the court, have tried my best to uphold its standards. I have thoroughly enjoyed serving as your Chief Justice.

Bob Brachman

CLUB RELATIONS BOARD

Social life is encouraged through faculty sponsored campus clubs; all students are urged to join a club which interests them. Vice-presidents of all clubs and classes at Beverly are members of the Club Relations Board. They meet to discuss and regulate their clubs' activities and schedule times and places for meetings. The Board was led by first semester Commissioner of Organizations, Joy Tyre, and second semester commissioner, Judy Hammerman. Mrs. Romaine H. Pauley is the sponsor.

Headed by first semester Commissioner of Cafeteria Council, Letty Shapiro, and second semester commissioner, Peggy Elston, the Cafeteria Council did a fine job this year. It was the Council's duty to patrol the cafeteria, work the change machine, and help whenever they were needed. Miss Jane McClure sponsored this group.

SPRING PRESIDENT

This has truly been an experience — certainly one of the most interesting and enjoyable that I have ever had. It is hard to express what a pleasure it was to work with people like Alice and Hal, your student council and commissioners, and the faculty. Complacency was a word unheard.

In the student council meetings there were always differing opinions which show that your officers were interested enough to back strongly an issue they believed in; but once the issue was decided, there was always 100% co-operation from everyone. In fact, 100% co-operation could be stated as the general rule of the semester.

Using that rule, you made possible the cleanest campus yet; you made the new phrasing of the flag salute a tradition for future assemblies; you attended our games with enthusiasm.

As you read this it is the end of another year. I hope your conclusion drawn from the past is the same as mine — that this semester, due to your wonderful spirit, ended as it started — a success.

John Jeffery

VICE-PRESIDENT

During my high school days "inspiration" has played a great part in guiding my actions. I, along with many other Normans, have felt inspired to work for the betterment of Beverly. I want to thank all those who have worked with me in helping to further the interests of our school. The opportunity to stimulate and develop inspiration for a richer and fuller future presents itself to all of us.

The Girls' League, working together as a strong unit, held many successful activities during the spring semester. Girls' Week, one of our main activities, offered each girl an opportunity to participate in an activity of her interest. The Mother-Daughter Tea was enjoyed by all; it was highlighted by a fashion show presented by Saks Fifth Avenue. Another of our events was the clothing drive which was held before Easter for the children of our adopted school, Albion Street.

Being president of the Girls' League was a very gratifying experience. I sincerely thank the Girls' League, the spring cabinet, and our exceptional sponsors, Mrs. Pauley and Miss McClure for their enthusiastic support and participation. I am truly grateful for having had the wonderful opportunity and experience of working with the girls of Beverly.

SENIOR SAGA

Arriving at Beverly as nervous neophytes, the members of the Class of '58 elected Roger Reese to lead them in their first semester. Under Roger, the class constitution was drawn up and the machinery of class government was put in order. Bob Brachman, second semester prexy, brought to Beverly two entertaining assemblies, the Reverend Bob Richards and the Jefferson Choir. To round out the year, Freshman Day, an original idea, presented a day of games and dancing for the class.

Starting the Sophomore Year with a bang, president Steve Pauley brought about the first Frosh-Soph Talent Show, featuring such great acts as "Black Denim Trousers" and Jim Miller's interpretation of "Paul Revide's Rear." Second Semester mentor Roger Reese again brought the Reverend Bob Richards to the school for another inspirational talk.

John Jeffery presented the Junior's Pigskin Prom, as the first and most successful dance of the year. In the last half of the year, Roger Reese introduced the idea of adopting an orphan child from Germany as a philanthorpic service of the class. The adopted child, Jan Stassen, has been corresponding with the class for two years now, and seems just like a brother.

The Talent Show, featuring "The Mickey Mouse Club Act" and "The Nairobi Trio," used "A Trip Through Disneyland" as its theme.

The Senior Year saw Sandy Schulhofer leading the class. The Senior Play, THE REMARKABLE INCIDENT AT CARSON CORNERS, though a departure from the normal comedy, was a huge success. The traditional Senior Day contests were very close, with the last event deciding the issue. Second Semester brought a flurry of activity led by class president Ricky Cohn. Contributing to the jovial times were the Senior Talent Show, Ditch Day, Senior Prom, Graduation Day Breakfast, Baccalaureate; and, winding up four wonderful years at Normandy, Graduation.

The Class of '58 can look back on all it has done, its leaders and sponsors, and truly say, with pride, that its high school experiences have been crucial ones, preparing the individual members for the task that lies ahead, that of being the future of America and leaders in the world. Beverly has indeed made . . . . . .

Every Yesterday a Dream of Happiness,
And Every Tomorrow a Vision of Hope!

EPHIBIANS

The highest honor that a graduating senior could attain was membership in the Ephebian Society. Ephebians were selected from senior classes throughout the country.

It was a high honor to be chosen for membership in Ephebians since one out of every forty class members was elected to the society. The basis for membership was scholarship, leadership, service, and character. There were ten members from Beverly's Class of 1958.

The Ephebian Society was established in 1918 by Dr. Albert Shield. The original Ephebian Society existed in Athens in the third centry, B.C. Members present and past were chosen because of their excellent qualifications towards making their city more worthwhile.

Membership in Epebians does not terminate with high school graduation. The society meets once a month at the city hall where it helps with civic affairs. A few of the Ephebians' activities are presenting an annual Christmas party at Juvenile Hall, sponsoring oratorical contests, and publishing a monthly newspaper, "The Torch." The most important activity of the group is their work on the civil affairs committee.

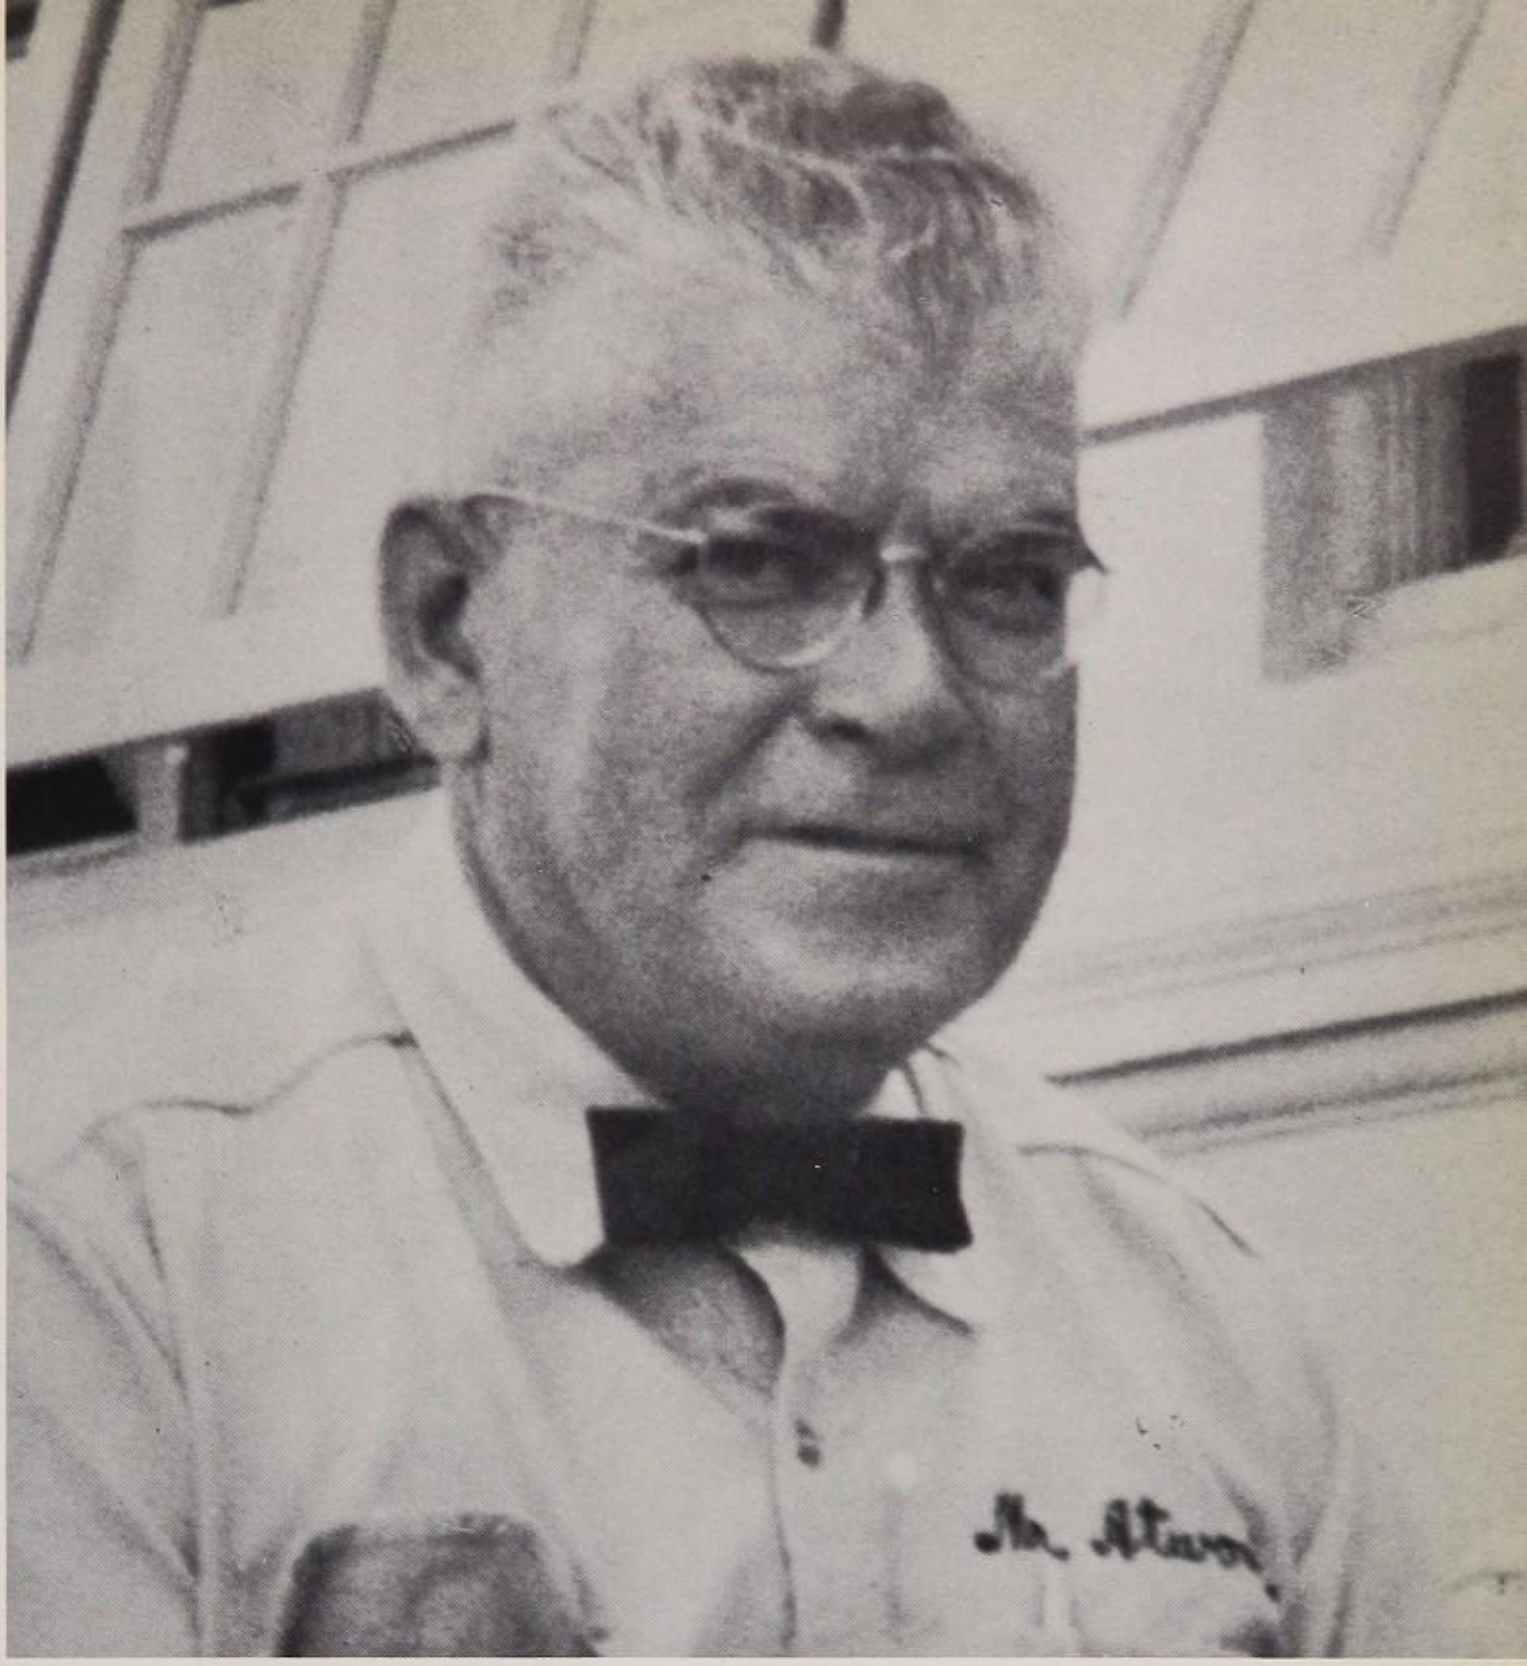
Mrs. Pauline E. Garnella

THE WATCHTOWER SALUTES

Mrs. Pauline E. Garnella retired from Beverly's teaching staff this year after having taught in our Commercial Department since 1937. During her stay at Beverly, Mrs. Garnella has instructed in each business field offered in the school's business education department. Her years at Beverly have been very activity-filled. She was the Commercial Club sponsor for twenty-one years and President of the Beverly Hills Business and Professional Women's Club. Through this organization Girls' Day in Business was established which in turn led to Girls' Week in Business. Mrs. Garnella has also been a member of two honorary educational fraternities.

During World War II, Mrs. Garnella helped our country by becoming an officer in the Waves. Her duty was to train yeomen in shorthand and typing in Ceder Falls, Iowa.

"I've enjoyed teaching in Beverly Hills High School and working with a fine student body and a wonderful faculty" stated Mrs. Garnella, who retired in June. She will be remembered with respect for her fine contributions to Beverly's Commercial Department and administration.



MR. HARLAND ATWOOD

We will always remember with fondness in our hearts the warm smile and the kind words Mr. Atwood had for everyone. Being Beverly's head custodian was never a task for Mr. Atwood, but gave him daily happiness because he loved young people.

In 1947 he joined the Beverly Hills Unified School System where he served as a custodian at the El Rodeo Elementary School. Three years ago he was made head custodian of Beverly.

We pay our respects to a wonderful man.

USHERETTES

For many years the ushering at school functions has been done by Norman honor groups untrained in ushering duties. The need arose for a trained group of usherettes always available to usher at school presentations. Such a group of freshman and sophomore girls was formed.

Membership in this group was made only after careful consideration of each applicant. Lower grade representatives to the Girls' League cabinet suggested qualified girls, but final decisions were made by Miss Helen Louise Aldrich, mathematics instructor.

The Usherettes received their initial experience by ushering at this year's nightly performance of the Spring Concert. They were required to usher at all evening presentations held in the Beverly Hills High School Auditorium such as the Spring Play.

This newly formed group is sponsored by Mrs. Romaine H. Pauley.

ALPHA

The Alphas sell suckers every Friday during lunch period. Joyce Alexander, Barbara Stettner, and Sally Lyons buy suckers from Joy Tyre.

Outstanding junior and senior girls were honored for their scholarship, leadership, and service to the school by membership in Alpha.

Two important services that Alpha performed for Beverly were supervising noon time study hall and helping in the cafeteria.

The Mother-Daughter Tea, held in the new Student Lounge, featured a panel comprised of Alphas and their mothers who discussed dating problems. The theme of their annual Christmas dance was "Santa Claus Lane." A glittering Christmas tree, candy canes, and the appearance of Santa Claus who handed out the door prizes were the highlights of the affair. The Father-Daughter Banquet helped acquaint Alpha fathers with their daughters' activities and with each other.

The group also participated in Heart Sunday activities and gave a dance for the Junior Blind in co-operation with the Knights.

Miss Alida Parker and Mrs. Theresia Cunningham were co-sponsors of Alphas.

KNIGHTS

The Knights, the upper division honor organization for boys, selected its members for their service, leadership, and character. The Knights were always ready to render service to the school such as raising the flag, patrolling the lunch lines, conducting noon time study hall, and operating the parking lot on special occasions.

One of the outstanding social events of the year was the Knights' Annual Orchid Ball held at the Riviera Country Club. Community service was their aim when they helped collect for Heart Sunday, and gave a party for the Junior Blind in cooperation with the Alphas.

They closed their activities for the year with their traditional Father and Son Banquet at which time the fathers of the Knights were honored and recognition was made for outstanding service to school and community.

This organization was under the supervision of Mr. Victor M. Seine, assisted by Mr. Adrian Bal.

The Knights are seen every morning raising the flag at 8:10.

ADELPHIAN

Adelphians was the honor organization for lower grade girls who exhibited scholarship, leadership, school service, and outstanding character.

Helping the Red Cross was the main activity of Adelphians last year. Members went to the Red Cross Headquarters every Saturday and did secretarial work. The Junior Blind was also aided by philanthropic work of this club.

"Palm Paradise" was the name of the Adelphians' dance, held at the Miramar Hotel in Santa Monica. Proceeds of this dance went to the Red Cross.

Throughout the past years the Squires have lowered the flag at the completion of each school day. They also performed their traditional duties of supervising the hall in the North Wing during noon time and selling cokes at school functions. The Squires' annual dance was held at the Rancho Golf Club Its theme was the "Swank Swing" and featured the music of Dick Allen, a Beverly alum. Faculty sponsor was Dr. John H. French.

The Squires can be seen at 3:15 each afternoon lowering the flag. Mike Saphier and Dan Englander lower the flag while Joel Jordan acts as trumpeteer.

Their main activity is providing student tutors for other students who need help in a subject. The group took a field trip during the year. The C.S.F. is sponsored by Mrs. Phyllis Bartine.

The main project of C.S.F. is student tutoring. "Scholarship for Service" is exemplified through Helene Altman, Roberta Hara and Karen Orren, who are shown tutoring Johnny Morris.

The Lektos is the honor organization for students who have achieved the epitome of success in one particular field at Beverly. This is one of our oldest clubs. Miss Frances Hurd originated the idea in 1935, and Miss Frances Griffin named the club. Lektos is the Greek word for the "chosen one."

Members were first chosen in 1936-37. It is an honor to become a member of Lektos because only one student in each 200 enrolled in a department may be chosen.

Under the leadership of the officers and the sponsorship of Dr. Rueben Cordova the group held a candy sale, a dinner, and went on a cultural field trip. The officers are Jeff Myrow, president; Paula Purcell, vice-president; Jackie Wilkes, secretary-treasurer; Fred Ilfeld, historian.

One of their main projects was an annual sale of Christmas tags and seals. A new activity this year, which A.U.A. sponsored and initiated, was a monthly art contest. Any Norman attending one of Beverly's art classes was eligible to submit his work. In the spring of the year A.U.A. also assisted in the annual Departmental Art Exhibit as hosts and hostesses. The sponsors of this organization were Mrs. Lucille Robert, and Mrs. Marjorie Viau.

Two Norman defenders with assistance from Gary Kellstrom successfully stop Culver City ball-carrier.

VARSITY FOOTBALL

This year's Norman team, the defending Pioneer League Champions, wound up the 1957 season in fourth place with a two win three loss record in league play. Beverly's opening league fray resulted in a convincing victory over a spirited North High team. Hawthorne soundly trounced the flu-stricken Normans in the second encounter. Culver City was Beverly's next opponent and they proved to be a formidable one, but our Varsity rose to the occasion by clobbering the Centaurs. Too much speed spelled defeat for the Normans as the El Segundo eleven ran roughshod over the Marrowmen. In the final outing of the season, Beverly was downed by a strong Morningside team.

B FOOTBALL

With a powerful running attack and an effective aerial game, the Beverly High Norbabes finished the football season with an excellent record. Coach Hal Sieling's crew bagged three games in Pioneer League competition and finished second behind Hawthorne.

The B's defeated North High in their initial Pioneer League contest. In their second encounter, the Norbabes were humbled by a strong Hawthorne aggregation which was the only club to outgain Beverly in running this season. Culver City unleashed a 60 yard punt return in the closing minutes and eked out a tie with the locals. The El Segundo Eagles were defeated the following week in a closely fought game. Beverly's B's finished a highly successful season by exploding for 30 points against Morningside.

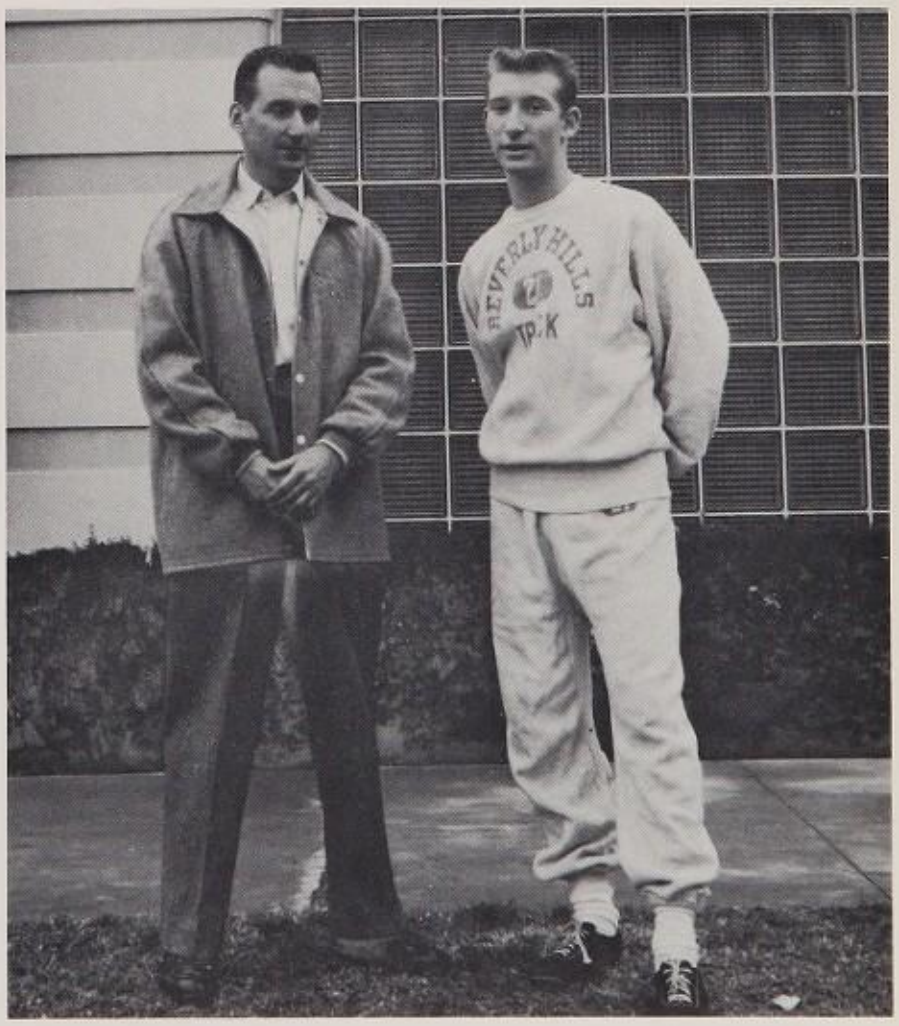
CROSS COUNTRY

Paced by several returning lettermen, Beverly finished third in the Pioneer League finals held at Culver City. This year's Norman cross-country team had the greatest number of participants in the school's history.

One school record was broken, and several freshmen and sophomores showed tremendous potential. Gaining momentum as the season progressed, the team should be a contender for the league title next year.



Varsity Coach George Egan and Captain Paul Muchnic.

VARSITY BASKETBALL

Steve Miletich's casaba crew compiled a fine 7 win 3 loss record in Pioneer League play. Led by seniors Burt Rosenberg and Sandy Schulhofer, this year's team gave its fans many exciting games. After losing to Hawthorne in the second round of the Pacific Shores Tournament, Beverly garnered second place in the San Diego Kiwanis Tournament and forward Byron Lapin was given all-tournament recognition. The Normans lacked height this year, but they made up for it with determination, speed, and accuracy. Hats off to Coach Miletich and the entire varsity for a great job.

BEVERLY HILLS INVITATIONAL TOURNEY

The sixteen Beverly Hills Invitational Tourney was won by Anaheim. This year's event afforded its spectators many thrills as sixteen top teams from the southland competed. Our Beverly Hills Normans, behind the fine coaching of Steve Miletich, won three games, dropped one, and wound up in fifth place. Our only loss came at the hands of the Anaheim Colonials, eventual tourney champs, by four points. Gary Dixon of Anaheim was elected player of the tourney.

WRESTLING

Comprised of primary Freshmen and Sophomores, this year's Wrestling squad, under the able leadership of Edward Diller, had a building year. Even though the squad had only a few returning lettermen, the grapplers gave a fine account of themselves during the course of the season. Steve Sullivan, one of Beverly's few returning lettermen, captured first place in the Pioneer League Finals.

VARSITY BASEBALL

This Year's Varsity horsehiders, behind the fine coaching of Hal Seiling, were well on their way to successfully defending the Pioneer League Championship which last year's Varsity brought to Beverly.

The exhibition season was highlighted by a 12-0 win over Flintridge in which Rich Rolapp struck out eighteen men.

Due to the fact that our year book went to press in April, Beverly had played only one league game in which the Normans swamped the North Torrance Saxons 9-1.

JV BASEBALL

The defending league champs J. V.'s were comprised mostly of freshmen and sophomores. This year's team had a tough road to hoe in that the entire first string from last year's championship team moved up to the Varsity. Much of the success that the Varsity teams have achieved in the past can be attributed to the fine coaching that these boys received while they were on the J. V. squad.

GOLF

The Norman linkmen, who have been league champs for the past five years consecutively, have had an exceptionally strong team comprised of five returning lettermen and a strong entourage of promising freshmen and sophomores. The five returning lettermen were Roger Camaras, Bob Brachman, Buddy Pepp, George Jacobson, and Mike Donner.

This year's Varsity Golf Team opened its season with an impressive win over Samohi at Riviera Country Club. Although it was too early in the season to tell, it appeared that the Norman strokers would successfully defend their league championship and possibly win the C.I.F. championship.

Bob Brachman, Buddy Pepp, and Coach Steve Miletich view Roger Camaras' new grip.

TRACK

The Norman's Varsity thinclads had an exceptionally small squad this year. Varsity coaches George Egan and Chris Flanagan were fortunate in having seven returning lettermen from last year's varsity. They were Dick Barton, Tom Bath, Conrad Baumgartner, Joe Berger, Fred Fenton, Paul Muchnic, and Steve Neuman. Several fine performances were turned in by these boys during the course of the season. Strong features of this year's team were the prowess exhibited in the 440, 880, mile, and broad-jump. Two things were responsible for the fine times turned in by the track team this year. One was the varsity's desire to win, and the other was the excellent running surface which was used by the school for the first time.

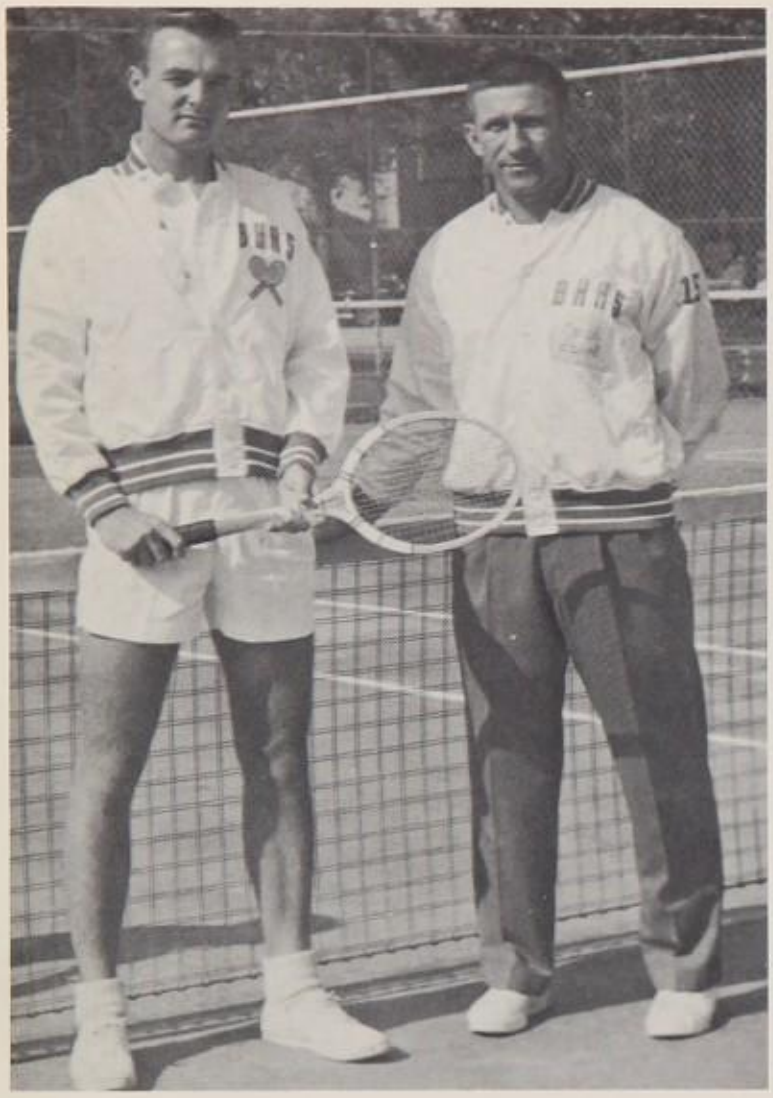
TENNIS



Varsity captain Mike Rabbitt and coach Joe Sabol.

The Varsity Tennis Team, led by nationally ranked Gary Chazan and Mike Rabbitt, turned in excellent performances during the entire season. This year's team was composed of mostly juniors and sophomores and therefore Beverly can look forward to excellent tennis from these boys for two more years. Starting the season by defeating perennially strong Unihi and Samohi in pre-season matches, the Varsity gave all indications that they were going to repeat as league champs.

VARSITY SWIMMING

The Beverly Hills Varsity aquamen began their 1958 season by losing a heart breaker to Harvard by one point. The Puffermen showed their fighting spirit by coming back to defeat El Rancho the following week. At the time this book went to press the Mermen had a record of 2-2.

This year's Varsity will battle El Segundo for league championship.

Due to the fact that the B Swim Team won fourteen gold medals and four silver medals in the C.I.F. relays, we felt that they deserved recognition for a job well done.

AFTER SCHOOL SPORTS

In order to qualify for membership in G. A. A. a girl must have maintained an "A" or "B" average in physical education, participated in two after school sports, or have been active in one sport and given ten service hours. One of the main activities of the G. A. A. is the competition between the Pioneer League schools in several sports.

A FINAL WORD

This was a year of building and expansion at Beverly. The new Guidance Office, the Athletic Field improvement, and the new Business Education Building were all completed and dedicated during the school year. The 1958 WATCHTOWER also added a new feature. The new Summer Supplement, which was mailed to the students several weeks after school ended, gave us a chance to include many activities that could not be covered in previous Watchtowers.

For the first time the Spring Play, Senior Ditch Day, the Senior Prom, Baccalaureate, and Graduation were all included to give a complete and full picture of the year 1957-58. That was our real aim, to give a comprehensive view of Beverly, our campus, our activities, our people.

The production of a yearbook is an undertaking too big for a few people to do alone. We would like to thank our entire staff for their work. Our art editors, Darrelle Mayers and Frank Young, deserve special mention for the job they did in shaping the entire artistic format of the book.

Our most important and almost inexpressible thanks go to our advisor, Mrs. Lucille Robert. Thank you for the many weekends, the Christmas and Easter vacation, and the other countless number of hours which you spent working with us. Without your tremendous effort and understanding guidance this book would not have been possible.

We have tried to present a fresh outlook in our book. Our photographs and art design have been geared to make the book both refreshing and interesting.

We think we have succeeded—
We hope you like it.
